Dear Mrs. Manley:

On Saturday I stopped in at Stamford, Conn. Mr. Connolly turned the Eagles letter over to me. Mr. Connolly said that he didn't sign any contract for the ball game that you have reference to. He said that the local man through whom you booked the game was the one who signed his name and initialed the agreement.

As I told you in one of my previous letters I shall arrange a booking for the Eagles at Stamford before the season closes.

Very truly yours,

W. A. Leuschner
